

WHITE HERON  
C E L L A R S

Mariposa Vineyard

Syrah

This Syrah is made from three different clones of the Syrah grape, all chosen specifically to take advantage of our vineyard site. In other words we wanted to make a Syrah that expresses spice, fruit, and the land on which it was grown.

The resulting wine is dark colored, combines fruit and spice on the nose and is rich and full flavored on the palate. Enjoy with hearty foods and good friends.
